

Directions to ABCCONN, 90A North Main Street, West Hartford

From Route 84 West (traveling west towards New York State on Route 84): Take Exit 41, South Main Street. Turn right and proceed on South Main Street through six traffic lights. (At the fifth light, Farmington Avenue, South Main Street becomes North Main Street.) Continue straight and look for two cemeteries on the right. Immediately after the second cemetery is the church driveway before the church. Parking lot is in the rear. The ABCCONN office entrance is in the south wing (facing the cemetery) on the 2nd floor.

From Route 84 East (traveling east towards Boston on Route 84): Take Exit 41, South Main Street. Turn left and proceed on South Main Street through eight traffic lights. (At the seventh light, Farmington Avenue, South Main Street becomes North Main Street.) Continue straight and look for two cemeteries on the right. Immediately after the second cemetery is the church driveway before the church. Parking lot is in the rear. The ABCCONN office entrance is in the south wing (facing the cemetery) on the 2nd floor.

NOTE: There is an elevator available through the main entrance of the First Baptist Church (to the right of South Wing where ABCCONN is located). This elevator accesses all levels of the building.
